Anta Trade

Our mission is to build long-term partnerships with European importers based on reliability, transparency, and stable supply programs.

is an authorized export representative of several leading cement producers in Egypt.

We specialize exclusively in supplying bulk Portland cement to European markets with stable monthly volumes and direct factory access.

Our logistics are based on bulk shipments (vessels) loaded directly at the strategic deep-sea export terminal of:

El Arish Port, Egypt

We offer:

consistent monthly allocations starting from 1,000 MT
competitive prices through direct mill representation

fast loading within 30 days

full European certification: CE, ESYD, EN 197-1

high-quality Portland cement grades: 32.5N, 42.5N, 42.5R, 52.5N

professional coordination with European receivers and ports

PORTLAND CEMENT CEM I 32.5N

Product: Portland Cement CEM I 32.5N – Origin Egypt

Applications:

- ✓ general construction
- ✓ masonry mortar
- ✓ plastering
- ✓ paving blocks
- ✓ low-to-medium strength concrete

Quality:

- ✓ CE Certified
- ✓ EN 197-1 compliant
- ✓ ESYD Certification

Available Packing:

- ✓ 1.5 MT Jumbo Bags
- ✓ 50 kg bags (sling bags)
- ✓ 25 kg bags (sling bags)

Terms:

- ✓ MOQ: 1,000 MT
- ✓ Loading Ports: Alexandria or Damietta
- ✓ Delivery: within 30 days
- ✓ Terms: FOB / CFR

PORTLAND CEMENT CEM I 42.5N

Portland Cement CEM I 42.5N – Origin Egypt

Applications:

- ✓ structural concrete
- ✓ reinforced concrete
- ✓ precast elements
- ✓ blocks, curbstones, pavers
- ✓ medium & high-strength mixes

Quality:

- ✓ CE Certified
- ✓ EN 197-1 compliant
- ✓ ESYD Certification

Available Packing:

- ✓ 1.5 MT Jumbo Bags
- ✓ 50 kg bags (sling bags)
- ✓ 25 kg bags (sling bags)

Terms:

- ✓ MOQ: 1,000 MT
- ✓ Loading Ports: Alexandria or Damietta
- ✓ Delivery: within 30 days
- ✓ Terms: FOB / CFR

PORTLAND CEMENT CEM I 42.5R

TECHNICAL BENEFITS OF CEM I 42.5R

- Very fast early strength gain
- High final compressive strength
- Excellent workability and performance
- Stable and consistent quality
- Suitable for high-load and intensive construction
- Optimized for challenging weather conditions

www.antatrade.com

CEM I 42.5R – Rapid Strength Cement (Egypt Origin)

Applications:

- ✓ Fast-track construction projects
- ✓ Cold weather concreting
- ✓ Structural and reinforced concrete
- ✓ Precast concrete elements
- ✓ Pavements & infrastructure
- ✓ High-strength concrete mixes

Quality:

- ✓ CE Certified
- ✓ EN 197-1 compliant
- ✓ ESYD Certification

Available Packing:

- ✓ 1.5 MT Jumbo Bags
- ✓ 50 kg bags (sling bags)
- ✓ 25 kg bags (sling bags)

Terms:

- ✓ MOQ: 1,000 MT
- ✓ Loading Ports: Alexandria or Damietta
- ✓ Delivery: within 30 days
- ✓ Terms: FOB / CFR

PORTLAND CEMENT CEM I 52.5N

Portland Cement CEM I 52.5N – High Strength Cement – Origin Egypt

Applications:

- ✓ high-rise buildings
- ✓ heavy-duty structural work
- ✓ port infrastructure
- ✓ industrial foundations
- ✓ high-performance concrete mixes

Quality:

- ✓ CE Certified
- ✓ EN 197-1 compliant
- ✓ ESYD Certification

Available Packing:

- ✓ 1.5 MT Jumbo Bags
- ✓ 50 kg bags (sling bags)
- ✓ 25 kg bags (sling bags)

Terms:

- ✓ MOQ: 1,000 MT
- ✓ Loading Ports: Alexandria or Damietta
- ✓ Delivery: within 30 days
- ✓ Terms: FOB / CFR

PORTLAND CEMENT CEM II

Advantages of CEM II:

- Lower heat of hydration (ideal for warm climates)
- Improved workability
- Better long-term strength development
- Enhanced durability and resistance to chemical attack
- Reduced CO₂ emissions (environment-friendly product)

About Our Cement Supply Program
Our Egyptian-origin Ordinary Portland Cement is produced under strict European and international standards, ensuring consistent performance, high structural integrity, and long-term durability. With direct access to major cement plants and exclusive loading at El Arish Port, we provide stable monthly allocations, fast loading windows, and flexible shipping options for both containerized and bulk vessel shipments. All products come with full certification (CE, ESYD, EN 197-1) and independent inspection by SGS/TUV, guaranteeing the highest level of quality for our customers across Europe. Our logistics, pricing structure, and delivery schedules are optimized for importers seeking reliable long-term supply programs.
